

CODY DOW

Full Stack Developer

I'm a Texan forever, an ex-pat for now,
a thinker, maker, collaborator,
and pixel pusher.

WORK HISTORY

Language & Culture Ambassador: North America

Spanish Ministry of Education, Madrid 09/18-06/19

- Taught 12 sections of English Conversation and 3 sections of Grammar to Spanish-speaking students aged 16-18 at a public high school in Madrid
 - Planned, produced, and delivered my own content-based lesson plans
- TEFL Certified (Teach English as a Foreign Language)

Motion Intern, Design and Creative

Interbrand, New York City 05/17-07-17

- Produced motion graphics for Google, Varian, Cars.com, Mint, and Mars, Inc.
- Built the 2018 campaign for The Rubin Museum of Art, researching the competitive landscape and identifying key insights, designing creative territories and developing activation concepts around those territories, delivering a final toolkit with strategy, design, and verbal assets
- Presented campaign work in a series of four presentations

Viacom Intern, On-Air Production Operations

Nickelodeon, New York City 05/16-07-16

- Assisted in management, administration, and support of workflow systems supporting Viacom Kids & Family longform media management
- Serviced requests for all Nickelodeon departments within a 2 hr. window
- Reviewed digital work-reels; ensuring text and audio channels were adherent to media guidelines for international repurposing, logging episode content, gathering footage, cross-referencing reports, securing proper metadata for programming team
